

Christmas is almost here!

This past Thanksgiving we had the privilege of giving over 1800 turkeys and nearly 1000 to go meals and deliveries because of the support from friends like you! We are hoping to have the same impact on our community for Christmas. We can achieve this with your continued support!

Christmas is not just about what we give during the holiday season, it's about the impact we make in the lives of those we serve by sharing Gods unwavering love! Christmas is a time to remind people that they are not alone, we tell them that we care and love them...God loves them. Our goal at the mission is to provide a hand up not a hand out. Being able to impact the lives of others by sharing our hope for them is really where we begin to make a difference.

Unfortunately, this year is so much different from years past. **Abused women and children are captive in their homes! Seniors don't have loved ones visiting or can't, and our homeless are cold and isolated. We need your help!** We are using our Mobile Mission to reach our entire community.

Our Mobile Mission will be delivering food, presents and much needed relief to hundreds of people! We are so blessed to have your support giving us the ability to reach so many in our community!

Merry Christmas and God Bless You!

"God calls us to love our neighbors as we love ourselves. How can we accomplish that if we don't feed, clothe, and shelter those in need? It's our hope and prayer that those who have nowhere to go and nobody to turn to, will find more than just a filling Christmas meal or present, we want to instill a hope for a brighter future within them. That's why we're here."

A NOTE FROM THE EXECUTIVE DIRECTOR

Christmas 2020!

It's been a rough year for all of us!

We have changed the way we live, play and worship. One thing that remains constant is how we pull together as a community to help those in need. I'm so grateful!

This Christmas may look a lot different in many ways. The one thing that is certain...Jesus has never changed. So, let us rejoice in celebrating the birth of our Lord and Savior.

Thank you and God bless,

Matt Miller
